Property Description

Villa Cerca del Mar is a rare gem just steps from the sand, nestled in the prestigious Langosta Beach community—one of the most sought-after areas on Costa Rica's Gold Coast. This Mediterranean-style residence is just minutes from the lively town of Tamarindo, yet offers the serenity and exclusivity of a private retreat. Properties in this neighborhood are seldom available, and when they do surface, they tend to sell quickly—often before even hitting the market. This elegant 3-bedroom, 3.5-bath villa blends luxury and charm with effortless comfort. With its private pool, tranquil fountains, and lush outdoor living spaces, the home is perfectly suited as a full-time residence, a vacation getaway, or a high-performing rental investment. Thoughtfully designed, the interiors feature hand-painted tile floors, arched Moorish-style windows, exposed wood-beam ceilings, and a warm, tropical color palette that invites relaxation.
