Property Description

A hidden treasure just five minutes from downtown Uvita and the beach, Hermosa Retreat One. This villa offers a luxury experience that feels personal, private, and deeply connected to nature. Perched above the rainforest with an unobstructed view of the Whale's Tail, the villa rises like a modern treehouse, capturing the best of Costa Rica's coastline and jungle in one rare setting. The approach is quiet. The moment you arrive, the world shifts. Ocean breezes sweep through the palms, monkeys chatter in the canopy, and toucans flash their colors across the sky. This property is situated in one of Uvita's most sought-after locations for good reason. Privacy is genuine, the views are breathtaking, and the beach and town remain just minutes away. Inside, the home is designed for comfort and ease. High-speed internet, air-conditioned bedrooms, a backup generator, and a fully equipped kitchen make daily life effortless.
