Property Description

A turnkey jungle-to-ocean investment with proven vacation rental appeal. Casa Vista Verde is the definition of a smart lifestyle investment in Costa Rica's Southern Zone. Set above the jungle canopy with open views to the Pacific, this property offers what short-term renters consistently seek and what investors value most: views, privacy, atmosphere, and ease of ownership. From the moment guests arrive, the experience feels like a vacation already in motion. Lush, mature landscaping frames the home, creating a sense of seclusion while maintaining dramatic sightlines to the ocean and surrounding rainforest. The setting is quiet, elevated, and immersive, yet only minutes from Uvita's beaches, services, and dining. Designed for seamless indoor-outdoor living, the home opens effortlessly to expansive terraces and a private pool overlooking the jungle. Floor-to-ceiling glass brings the outside in, maximizing natural light and views from the main living areas and bedrooms.
