Property Description

Discover an exceptional opportunity to own land in the emerging Blue Zone region of Guanacaste Costa Rica. These lots are located in Playa Pilas, ideally situated between Playa San Miguel and Playa Corozalito, within an area still considered a hidden gem. Buying land is the right and only way to get exactly what you want. Build the house you want with all the land and views you desire here. NO compromise. 2Set in a “secret garden” style environment, the property is nestled between dramatic mountains and the Pacific Ocean, offering breathtaking views and a peaceful quiet though elegant natural setting. There is a gate to keep your property safe. The land is highly versatile and suitable for a wide range of development projects—whether residential, eco-tourism, or investment. Access to a creek and a waterfall, the property has fruit trees including mango trees. Tall yellow bamboo, almond trees and Macaws and perroquet all sorts live and feed off the ridge.
