Nestled in a forested valley, Hacienda Guiones provides a relaxing and calm backdrop for your dream home. As you approach this lush tree-lined jungle property, you traverse several small bridges criss-crossing over a tranquil stream that is the center piece of this well conceived project. With just 14 generously sized lots spread over 55 acres of gorgeous jungle, this project is one of the only developments in the area that are dedicated to ensuring each lot has an authentic Costa Rican jungle vibe. Nature enthusiasts will love the large lot sizes (all 5000m2 and above) that are situated in a stunning serene valley.
