Property Description

This modern hideaway was created by the amazing team at WR Architects with one thing in mind: Let's match the perfect modern tropical home with the perfect tropical/jungle setting. Cascading down the ridge and enjoying uninterrupted views to the South West towards the Playa Langosta Estuary and adjoining wetlands, this home enjoys whitewater views as well as jungle/canopy to the South East. Six bedrooms with six en-suite baths are complemented by 2 additional powder rooms – with 3 of the bedrooms serving as Master Suites! As always, a spacious open plan is utilized to maximize views and entertaining with friends in the gourmet kitchen/living and dining area. Outside terraces lead to the infinity pool which is flanked by a generous covered terrace plus sunken living/social area. Outdoor kitchen and BBQ areas are ample and designed to easily entertain friends and family in style. This is a home meant to be enjoyed both indoors and out! Outdoor shower, two car garage, owners closet and plenty of storage for beach toys makes this the perfect match for a healthy lifestyle in paradise.
