Property Description

Casa Elizabeth is located in Finca Tranquila, an equestrian gated community in the Central Pacific coast of Costa Rica. Just outside of Quepos/Manuel Antonio in the quaint town of Naranjito. Here you are far enough from town to enjoy the tranquility & peacefulness of the country, yet close enough to benefit from the services, stores and restaurants. It's the best of both worlds. There are several horses for the owners and their guests to enjoy onsite to ride in the beautiful areas in and around the development as there are 140 acres of commonly owner areas with stables. Rolling foothills, green pastures and a gentle river & lake are all part of this unique development. The project was designed for large acreage properties with glorious views and privacy forefront. This 5 Bedroom stunning home is spacious and designed for entertaining and hosting guests. The outstanding features are too many to count.
