## Property Description

This is a rare opportunity to invest in prime development land in the rapidly growing tourist destination of Ojochal, Costa Rica. A 10.9-acre property located on Calle Perezoso that boasts flat terrain with ample cleared spaces to build, making it an ideal location for luxury homes or hotels in a highly sought-after area already populated with high-end homes. With many beautiful mountain and ocean vistas, including stunning whitewater views, this location is a sensational choice for those seeking the perfect balance of natural beauty and modern amenities. The forested areas between building sites will ensure privacy while still allowing for the construction of multiple homes. The proximity to the coast, along with the growing list of services and amenities in the area, make this property a prime investment opportunity for developers looking to capitalize on the increasing demand for luxury accommodations in Ojochal.
