Property Description

When you step foot inside this luxury villa, you will encounter pure bliss where with the energy of the tropical rainforest jungle and breathtaking ocean views overlooking the Costa Ballena! Located only 600 meters from the pristine Marino Ballena National Park beach, you are greeted daily with the sights and sounds of howler monkeys, colorful birds, and abundant wildlife. The villa is the perfect place to call home during your Costa Rica experience where you will encounter adventure and relaxation. Your private view of the South Pacific Ocean includes brilliant hues of the sunset. At the Villa, from the moment you arrive, you'll experience elegant luxury in the serenity of this exquisitely designed home and its amenities as you explore the natural, unspoiled beauty of the incredible southern zone of Costa Rica. This new contemporary, Bali-style luxury home overlooks the South Pacific Ocean with breathtaking whitewater ocean, tropical rainforest, and sunset views.
